# QuickStand® Eco

**Humanscale's QuickStand Eco** is the next generation in portable sit/stand products. Sleeker, easier to use and comprised of more sustainable materials than ever before, it is a vast improvement over the current generation of sit/stand options. This work surface is available in laptop, single or dual monitor configurations. QuickStand Eco features simple setup, portability and near effortless adjustability – transforming ordinary desktops into healthy, active workspaces.

### Advantages of QuickStand Eco – The Next Generation in Sit/Stand:

- Merges ergonomics with height-adjustable functionality
- Designed with minimal, clean aesthetic
- Made only with healthy, sustainable materials – no formaldehyde or PVC
- Complements any space: home or corporate offices, collaborative or hot-desking spaces, check-in areas and more

### Design Story

Humanscale is committed to function, simplicity and longevity. With minimal, fewer parts and long-lasting, high-quality materials, QuickStand Eco was designed to look and work as well in 10 years as it does today.

## Features

- Main assembly holds up to 15.9kg (35 lbs.)
- Designed to accommodate users of varying heights with 472mm (18.6") of work surface adjustment
- Effortless functionality encourages more movement and allows user to move from sitting to standing instantly
- Minimal footprint allows for more use of the desktop area
- Self-locking mechanism provides ultimate stability and functionality
- Affordable workspace wellness solution that will blend into any environment
- Compatible with OfficeIQ – Humanscale's innovative sit/stand alert software
- Monitor height adjustment for correct ergonomic fit
- Designed with minimal, clean aesthetic

## Environmental Story

Humanscale was the first company to have products that meet the stringent Living Product Challenge criteria and we are leading the industry in embracing Health Product Declarations. A Declare label is available for QuickStand Eco to clearly disclose all of its ingredients and encourage material transparency.
